The Core Knowledge STEAM School of Choice

Dear Parent/Guardian,

Ben Franklin Academy is committed to bringing unique learning opportunities to our students and we are pleased to continue a free reading service providing digital books through [SORA DCSD](#).

Why SORA?
The SORA collection is an extension of Ben Franklin Academy's physical library; only it's online with 24/7 access to eBooks and audiobooks. It's convenient for students to check out titles at home, on the weekends or during school breaks with no worry about misplacing a book or running up fees – these digital titles automatically return at the end of the lending period!

SORA can help students of all ages read more and improve comprehension. Struggling or reluctant readers, learning-challenged, second language learners, and gifted reads can all benefit from this service.

- Enrich vocabulary and improve comprehension and pronunciation
- Introduce students to books above their reading level
- Teach critical listening
- Help busy kids find time to read
- Dyslexic Font
- Annotations
