

Ben Franklin Academy is proud to honor our veterans and current service members.

Highlands Ranch, CO: Ben Franklin Academy provides a meaningful opportunity for students to honor and learn about the service and sacrifices made by military veterans. Our Community Event Committee Veteran's Day event includes two morning assemblies, special guest speakers, and patriotic performances. Our classroom activities focus on the history and importance of Veterans Day. It's also a time to build appreciation for the values of courage, duty, and citizenship.

During our 2 ceremonies, BFA plays a tribute video that features our family, friends, and loved ones, created by BFA families submitting their own photos and videos. The halls of BFA are decorated with patriotic decorations, art, flags and service branch Wall of Honor displays to show our respect to those who have or are currently serving our country.

BFA's Guiding Principles: Mission: Our mission is to create young adults with character like America's founding Renaissance man, Benjamin Franklin: well-read, scientifically curious, and civically engaged. Vision: Our students will excel academically through a challenging, sequenced curriculum that emphasizes math, science, the arts, and literacy. We will be a data-driven institution, focusing on individual students. Our students, teachers, parents, staff, and leaders will be held accountable for the success of our school. Finally, we recognize that an education is incomplete without fostering social-emotional development, character, sports, and nature. 13 Virtues: Temperance, Silence, Order, Resolution, Frugality, Industry, Sincerity, Justice, Moderation, Cleanliness, Tranquility, Purity and Humility.
