Cell Phones

- If a child needs to contact a parent, they may check out their phone to call or text and return their phone after contacting their parent.
- All students will have access to photo opportunities at the dance. There will be several photo booths and parent volunteers taking photos.
- The no cell phone policy was added **at the request of students** who felt that everyone would have more fun if kids were not on their phones. It also helps assure photos are not shared/posted without permission.
